

12/08/2024 - New mandatory fields for Visa Secure starting August 12, 2024

Action required: New mandatory fields for Visa Secure starting August 12, 2024

Please note that Visa demands new mandatory fields for 3-D Secure transactions starting **August 12, 2024**. We recommend you implement the changes early on to be prepared. If you have any problems with the changeover, please contact [Axepta Online support](#).

New Mandatory fields: either email (JSON: billToCustomer.email) **or** phone (JSON: billToCustomer.phone) **or** mobile phone (JSON: billToCustomer.mobilePhone) must be provided.

See: billToCustomer (JSON:[billToCustomer](#))
