

Axepta BNP Paribas Online 1.0 - EN

IMPORTANT: Starting April 1, 2025, multi-factor authentication (MFA) will be required for login one Axepta Back-Office.

We are introducing multi-factor authentication (MFA), which is a security process requiring two forms of identification to access an account. Updating your user account with your email address is required.

We invite you to verify or update your email address in your user settings as soon as possible.

For any questions or assistance, you can contact our customer support:

- By email: bnpparibas@computop.com
- By phone: 0 825 07 27 47 (Monday to Friday from 8:30 AM to 6:00 PM, service 0.15€/min + call price)

Please find below the dedicated links :
