

Activation key

Your activation key must have 3 parts :

1. **Way of payment** : trigrams separated by « ; »
2. **Currencies** : trigrams separated by « ; »
3. **Random key** : combination of random numbers & letters

Here is an example of a key :

CVM;EUR;

**kusZd+PuCmWZXLMrqtAjRZ8iki2LGPLUURzlj/BiH9xgC2l/fma7LX2aX+JSs0F/qB2EPT5DxLSC5jyp5R/QNRRfYmKB/ktsStaq1N8YETJchppiUi
/jy/D8BY9XA5vnwDYiK1dX83HjaujA+LWYPiQ6qK+tisxlko+8JzVauul=**

- *CVM : Represents the trigram of the CB, VISA, MC (French platform) payment methods*
- *EUR : represents the currency EURO*
- *And finally the randomly generated key*

Focus

An activation key should not contain a space between the trigram line and the key line, but rather a line break. Please copy and paste the key as it is.
